### Associate Interactive Developer, Feb 2016- Current

Crispin Porter & Bogusky - Boulder, CO

Create all things digital for our clients, including Hotels.com, Infiniti Global, Pearl Izumi, Ryder Inc., American Airlines, and Dominos Pizza. Work closely with Producers, Designers, UX, and development to deliver digital assets using front end technologies (semantic HTML, SASS, JavaScript, jQuery) and tools (Grunt, gitHub).

### Front End Web Developer / Customer Support, Oct 2015- Jan 2016

iProduction - St. Paul, MN

Maintained multiple websites using HTML5, CSS3, JavaScript, and PHP. Provided technical support to clients that used our advanced content management system. Resolved code errors and CMS functionality issues.

### Professional Figure Skater, Jan 2014-May 2015 \*contracted position

Royal Caribbean International (Adventure of the Seas Cruise Ship) and Holiday on Ice (The Netherlands)

Performed alongside elite athletes to execute a world-class show for audiences of 800-11,000 people, requiring teamwork skills, the ability to learn quickly, and adaptability

## Technologies

- HTML5
- CSS3/SASS
- JavaScript
- jQuery
- Adobe Photoshop
- Git/SVN
- Bootstrap/Foundation
- PHP
- Responsive Development

## Community Impact

Crew Welfare Representative (Royal Caribbean) - presented ideas to better the lives of the crew, organized profit generating events

Jump Into Science Volunteer - introduced complex science concepts in fun, simple ways to elementary school children

Crossovers For a Cause Event Organizer - contacted talent, recruited volunteers, booked venue, designed ads, directed show

## Education

Coding House, Silicon Valley, CA

Fully Immersive Coding Bootcamp, July 2015- Sept 2015

College of St. Scholastica, Duluth, MN

(B.S.) Bachelor of Science, Summa Cum Laude, December 2013
